

FUNDRAISING BOX

HOW TO MAKE YOUR FUNDRAISING BOX

STEP 1:

Glue the template onto strong paper and cut it out.

Why not print it out on A3?

The bigger the box, the more fundraising cash it can hold.

STEP 2:

Fold along the dotted lines.

STEP 3:

Stick the "glue here" tabs to the sides of the money box.

You could always use some sticky tape on top to make sure your Fundraising Box can hold its own.
